[Verse 1:]

By faith  
I can get to many places  
Maybe even see many faces  
I mean things that are unexpected  
Because of my faith I may  
Have to deal with a little bit of hate  
And it may seem like there's no way  
That's why I gotta have my faith

[Chorus: x2]

(Faith)  
I gotta have  
(Faith)  
Can't make it without it  
(Faith)  
Where I wanna be I gotta have (ohh yeah)  
(Faith)

[Verse 2:]

Now without faith  
Things are impossible  
Like me wanting to please him  
I gotta forget about them  
Those that don't like me where I am  
Cause then I am in jam  
Tryna make a decision  
Should I listen or should I go  
I don't know (Faith)  
That's why I gotta have(faith)  
I gotta have faith (whooaahh yeaah)

[Chorus:]

(Faith)  
I gotta have  
(Faith)  
Can't make it without it(whooaaahh)  
(Faith)

[Bridge:]

Now faith is the substance of things hoped for

The evidence of things not seen  
And this explains it all  
Where I am now  
I may not be pleased  
So I'll have to seek him diligently  
And my Word says  
He will reward me (Can't make it without it)  
So why not have

[Chorus:]

(Faith)

I gotta have faith (yeeaaaaah)

(Faith)

When my family is sick (faith) and they can't get well

(Faith)

I gotta have faith (yeeeeaaaahh)

(Faith)

I gotta have faith

(Faith)

No matter what they give me or bring to my way

I gotta have faith (yeeeeeeaaaah)

(Faith)

I gotta have faith

(Faith)

It's the only thing that will pull me through

(Yeeeeeeaaaahh)

[Fades off]
