[Chorus:]

You

I just wanna walk and talk with (You)

Every minute of my time with (You)

All I wanna be about is You)

'Cause I can't live without You

Wherever I go I wanna see You

No matter who is watchin' me You

Everyday that I wake up You

'Cause I can't get enough of You

[Verse 1:]

Thought of people callin' me, tryin' to get my attention

Do some things I ain't suppose to, lead me in the wrong
direction

But the only road for me, is to where ere You are

I will follow You wherever, no matter how near or far

[Chorus]

[Verse 2:]

Same old movie, same show, and I don't wanna see it

Same old song on the radio, and I don't wanna hear it

Same old people goin' left, and I wanna be right

I'm leavin' them for good now

What I need in my life is

[Chorus]

Oh You, oh You, oh oh oh

[Kierra: Raps]

You're not the ordinary, You're so far above

I'm sort of a fanatic, it's way more than love

It's more than just a feelin', it's not just a touch

I wish that I could tell You, but words ain't enough, uh

[Chorus]
