## VERSE 1

I can remember my mother told me  
Don't let no one speak for me  
When it comes down to His blessings  
No one can give Him praise for me but me

## CHANNEL

Just trust God  
He'll always come through for you  
Yes He will (I know, I know that)  
I believe, cause my eyes have seen what  
Miracles He can do, mountains that He can move  
All things are possible through Him  
I'm tellin you!

## CHORUS

You don't know  
The blessings that He's given me, you don't know  
Like I know  
Even if I had a thousand tongues, I'd need more  
You should know  
What He's done for me, He can do for you  
You can tell it, let me tell you  
What the Lord has done for me!

## CHORUS 2

Now let me tell you 'bout what He did for my mother  
And at the same time took a load off me  
Just when the doctor said that is was over  
My God He stepped right in and gave her back to me

## BRIDGE

He's delviered me  
Out of hopeless situations (situations)  
And the devil used (used to try to break me)  
(But here I stand as) A living testimony  
All those who's trustin' Him  
Put all your faith in Him  
They will never be  
Defeated or cheated out of the victory!
