[Verse 1:]

By faith
I can get to many places
Maybe even see many faces
I mean things that are unexpected
Because of my faith I may
Have to deal with a little bit of hate
And it may seem like there's no way
That's why I gotta have my faith

[Chorus: x2]

(Faith)
I gotta have
(Faith)
Can't make it without it
(Faith)
Where I wanna be I gotta have (ohh yeah)
(Faith)

[Verse 2:]

Now without faith
Things are impossible
Like me wanting to please him
I gotta forget about them
Those that don't like me where I am
Cause then I am in jam
Tryna make a decision
Should I listen or should I go
I don't know (Faith)
That's why I gotta have(faith)
I gotta have faith (whooaahh yeaah)

[Chorus:]

(Faith)
I gotta have
(Faith)
Can't make it without it(whooaaahh)
(Faith)

[Bridge:]

Now faith is the substance of things hoped for
The evidence of things not seen

And this explains it all
Where I am now
I may not be pleased
So I'll have to seek him diligently
And my Word says
He will reward me (Can't make it without it)
So why not have

[Chorus:]

(Faith)

I gotta have faith (yeeaaaaah)

(Faith)

When my family is sick (faith) and they can't get well

(Faith)

I gotta have faith (yeeeeaaaahh)

(Faith)

I gotta have faith

(Faith)

No matter what they give me or bring to my way

I gotta have faith (yeeeeeeaaah)

(Faith)

I gotta have faith

(Faith)

It's the only thing that will pull me through

(Yeeeeeeaaahh)
