What's the use fo'get it?
That's what you keep sayin'
Tangled like spaghetti
Why folks act so petty?
IM MELTIN'
Boyfriend on the celly
Trippin on a sister
Calluses and Blisters
Working hard but going no where

Trouble don't last always
He'll make a way just wait and see
God has the final say

Don't conversate with the enemy
Don't Say Nothin and Pray
Watch the lord come through
Beat the devil down for you

When the devil tryin to talk to ya (Check yo' self)
When boss is trippin betta (Check yo' self)
(Snap, snap, snap) Snap out of it
(Snap, snap, snap) Snap out of it

When ya dealin with depression (Check yo' self)
That means you're getting closer to ya blessing (Check
yo' self)
(Snap, snap, snap) Snap out of it
(Snap, snap, snap) Snap out of it

Sounds like the Clark sisters
I know what you're sayin
I don't look like Twinkie
My name is Kierra
NOT KAREN

Such a big responsibility
To Carry on this Family Legacy
Everything aint perfect yall
And my salvation makes it worth it all

Trouble don't last always

He'll make a way just wait and see
God has the final say

Don't conversate with the enemy
Don't Say Nothin just Pray
Watch the lord come through
Beat the devil down, Ohhhh

When the devil tryin to talk to ya (Check yo' self)
When boss is trippin betta (Check yo' self)
(Snap, snap, snap) Snap out of it
(Snap, snap, snap) Snap out of it

When ya dealin with depression (Check yo' self)
That means you're getting closer to ya blessing (Check
yo' self)

(Snap, snap, snap) Snap out of it
(Snap, snap, snap) Snap out of it

TonÃ©x:
THIS IS THE FUTURE
OF GOSPEL MUSIC
Nureau INC.

Rap:
Don't let the devil get you hypnotized
With all them fancy lies
That one word from the word
That he memorized

That's fast food with no fries
That's the main ingredient
I would cuss him out
But that aint expedient

He don't want it with Kierra
K-Clark's Tierra
One whiff got him sweatin mist like sierra
Plus she got back up
Yes he will back up
DB and T
He betta not act up

Im a big bad witch Imma call it
A Hits-a-holic
Snoop-footed back down when I spit ma hardest
Who want it with Big Row and that Gospel Goddess?
I forgot you artist, 'cause you drop it artless
When they yap and doubt it
I just SNAP out it

I'm the best rapper with life betta ask me bout it
Chicken I aint never scared whenever I'm fear-faced
Chicken I aint tryin to fool up wit a hair case
Chicken it's slim pickin when you facin the donya
What in da dickens he thinking bout tryin to con ha'
Im Sittin pretty but I'll explode like I'm a bomb
Calm yo' self, 'cause Kiki heat it up like a sauna, oh

When the devil tryin to talk to ya (Check yo' self)
When ya boss is trippin betta (Check yo' self)
(Snap, snap, snap) Snap out of it
(Snap, snap, snap) Snap out of it

When ya dealing with depression (Check yo' self)
That means you're getting closer to ya blessing (Check
yo' self)
(Snap, snap, snap) Snap out of it
(Snap, snap, snap) Snap out of it
(repeat and fade)
