[Intro:]

Oh OOO Whoo Whoo Yea Yea

[Intro:]

Know why (why) ain't right that you died (died)  
I'm gonna grow just to sing this song, and it's just so  
amazin' so,  
I gotta serve you right, and I gotta get right.  
Life got no meanin' right  
I really can't figure it out, why somebody like me is who  
you worry bout'.

[Chorus:]

I'm lookin' for you to desire me  
And to work it all just for me

[KiKi:]

Ok if you say so, I just wanna show you that I'm grateful

[Chorus:]

I was thinkin' how did you eva fail to like somebody like  
you love me love me  
Somebody like you kept me kept  
Ohhhh, I was thinkin' how did you ever come to love  
somebody like you love me love me  
Somebody like you kept me kept me

Ohhhh

[KiKi:]

I was broke (broke)  
I think that we all know (know)  
You reached out your hand and said "I am Here, I neva  
left you I brought you here." So what makes it hard to  
see  
You gave your whole life for me, regardless of  
everything

[Chorus:]

I'm lookin' for you to desire me  
And to work it all just for me

[KiKi:]

Ok if you say so, I just wanna show you that I'm grateful

[Chorus:]

I was thinkin' how did you eva fail to like somebody like  
you love me love me

Somebody like you kept me kept

Ohhhh, I was thinkin' how did you ever come to love  
somebody like you love me love me

Somebody like you kept me kept me

Ohhhh

[Repeat to end]
