(Uh huh, uh huh)

I can remember my mother told me

(Uh huh, uh huh)

Don't let no one speak for me

(Uh huh, uh huh)

When it comes down to His blessings

(Uh huh, uh huh)

No one can give Him praise for me but me

(Just trust God)

He'll always come through for you

(Yes, He will)

I know, I know that

(I believe)

'Cause my eyes have seen what

Miracles He can do

Mountains that He can move

All things are possible through Him

I'm tellin' you

(You don't know)

The blessings that He's given me you don't know

(Like I know)

Even if I had a thousand tongues I needed more

(You should know)

What He's done for me, He can do for you

You can't tell it, let me tell it

What the Lord has done for me

(Uh huh, uh huh)

Now let me tell you 'bout what He did for my mother

(Uh huh, uh huh)

And at the same time, took the load off me

(Uh huh, uh huh)

Just when the doctor said that it was over

(Uh huh, uh huh)

My God, He stepped right in and gave her back to me

(Just trust God)
He'll always come through for you
(Yes, He will)
I know that

(I believe)
'Cause my eyes have seen what
Miracles He can do
Mountains that He can move
All things are possible through Him

(I'm telling you don't know)
The blessings that He's given me you don't know
(Like I know)
Even if I had a thousand tongues I needed more

(You should know)
What He's done for me, He can do for you
You can't tell it, let me tell it
What the Lord has done for me

(He's delivered me)
Out of hopeless situations
(Situations)
The Devil used
Used to try to break me

(Here I'm standing)
A living testimony
All those who trust in Him
Put all your faith in Him
They will never be
(Defeated or cheated out of their victory)

(You don't know)
Everyday of my life I praise Him
(Like I know)
Gotta thank Him for what He's done for me

(You should know)
He's a healer, He's a provider
You can't tell it, let me tell it
What the Lord has done for me

(You don't know)
He took my mother out of the hospital
(Like I know)
Nothing's impossible for my God to solve

(You should know)
You should know Him, like I know Him

You can't tell it, let me tell it
What the Lord has done for me

(You don't know)
Everyday in my life
(Like I know)
Brought the sunshine and made it bright

(You should know)
Oh, I thank You Lord
You can't tell it, let me tell it
What the Lord has done for me

(You don't know)
You really don't know Him
Don't know like I know Him, no
(Like I know)
Yeah, yeah, yeah

(You should know)
You, you, you
You can't tell it, let me tell it
What the Lord has done for me

I know you don't want to stop dancing
But we out
