You

I just wanna walk and talk with You  
Every minute of my time with You  
All I wanna be about is You  
'Cause I can't live without You

Wherever I go I wanna see You  
No matter who is watchin' me You  
Everyday that I wake up You  
'Cause I can't get enough of You

Lot of people callin' me  
Tryin' to get my attention  
Do some things I ain't suppose to  
Lead me in the wrong direction

But the only road for me  
Is to where ever You are  
I will follow You wherever  
No matter how near or far

You

I just wanna walk and talk with You  
Every minute of my time with You  
All I wanna be about is You  
'Cause I can't live without You

Wherever I go I wanna see You  
No matter who is watchin' me You  
Everyday that I wake up You  
'Cause I can't get enough of You

Same old movie, same show  
And I don't wanna see it  
Same old song on the radio  
And I don't wanna hear it

Same old people goin' left  
And I wanna be right  
I'm leavin' them for good now  
What I need in my life is

You  
I just wanna walk and talk with You  
Every minute of my time with You  
All I wanna be about is You  
'Cause I can't live without You

Wherever I go I wanna see You  
No matter who is watchin' me You  
Everyday that I wake up You  
'Cause I can't get enough of You

Oh, You  
Oh, You  
Oh, oh, oh

You're not the ordinary, You're so far above  
I'm sort of a fanatic, it's way more than love  
It's more than just a feelin', it's not just a touch  
I wish that I could tell You but words ain't enough, uh

You  
I just wanna walk and talk with You  
Every minute of my time with You  
All I wanna be about is You  
'Cause I can't live without You

Wherever I go I wanna see You  
No matter who is watchin' me You  
Everyday that I wake up You  
'Cause I can't get enough of You
