My love has no beginning  
My love has no end  
No front, no back  
My love won't bend

I'm in the middle  
I'm lost in a spin  
Loving you

And you don't know  
You don't know  
You don't know  
You don't know how glad I am

My love has no bottom  
My love has no top  
My love won't rise  
My love won't drop

I'm in the middle  
And I can't stop  
I'm just loving you

And you don't know  
You don't know, baby  
How glad I am

I wish I was a poet  
So that I could express  
What I, what I'd really like to say

I wish I was an artist, baby  
I could paint a picture  
Of how I feel, how I feel  
How I feel today

My love has no walls  
On either side  
Makes my love  
Whiter than white

I'm in the middle  
And I just can't hide  
I'm loving you

And you don't know  
You don't know  
You don't know  
You don't know, baby  
How glad I am

And you don't know  
You don't know  
You don't know  
Don't know, baby  
How glad I am

You don't know  
You don't know  
You don't know  
You don't know  
How glad I am

Loving you, baby  
You don't know  
You don't know  
You don't know  
You don't know  
How glad I am
