Ain't got no trouble in my life  
No foolish dream to make me cry  
I'm never frightened or worried  
I know I'll always get by  
I heat up, I cool down  
When something gets in my way I go around it  
Don't let life get me down  
Gonna take it the way that I found it  
[I got the music in me] (3 times)  
[I got the music in me] (3 times)  
They say that life is a circle  
But that ain't the way that I found it  
I'm Gonna move in a straight line  
Keeping my feet firmly on the ground  
I heat up, I cool down  
I got words in my head so I say them  
Don't let life get me down  
Catch a hold of my blues and just play them  
[I got the music in me] (3 times)  
[I got the music in me] (3 times)  
Feel funky, feel good  
Gonna tell you, I'm in the neighborhood  
Gonna fly like a bird on a wing  
Hold on to your hat honey, sing, sing, sing  
Heat up, cool down  
I got words in my head so I say them  
Don't let life get me down  
Catch a hold of my blues and just play them  
[I got the music in me] (3 times)  
[I got the music in me] (3 times)
