Honey you do me wrong but still i'm crazy about you

Stay away too long and i can't do without you

Every chance you get you seem to hurt me more and more

But each hurt makes my love stronger than before

I know flowers go through rain

But how can love go through pain

Ain't that peculiar

A peculiar ality

Ain't that peculiar baby

Peculiar as can be

You tell me lies that should be obvious to me

I've been so much in love with you baby til i don't wanna see

That things you do and say are designed to make me blue

It's a dog gone shame my love for you makes all

Your lies seem true

But if the truth makes love last longer

Why do lies make my love stronger

Ain't that peculiar

A peculiar ality

Ain't that peculiar baby

Peculiar as can be

I cried so much just like a child that's lost its home

Maybe baby you think these tears I cry are tears of joy

A child can cry so much until you do everything they say

But unlike a child my tears don't help me to get my way

I know love can last through years

But how can love last through tears

(repeat chorus)
