(I don't care) (I don't care) There's a reason may come
to me but baby I don't care

(I don't care)

History may say I'm wrong but baby I don't care (I don't
care)

I can't help by crying I've gotta keep

I've got to keep on trying

I may be a fool

But baby I don't care

Keep me waiting on the phone but baby I don't care

(I don't care)

I may spend my nights alone but baby I don't care

(I don't care)

'Cause your face I've seen with my dreams

I wish I could live our dreams

You were meant for me but baby I don't care

(I don't care)

Oh you know I can't see straight anymore

But oh you're still alone till you knock on my door oh
baby

You can have your fun and games but I don't care

(I don't care)

Last one in your book of games but baby I don't care
(I don't care)
For I know
Yeah I know
Gonna hear
I'm Gonna hear you say
Oh I love you so
But baby I won't care
I won't care
I won't care
I won't care
Yeah I won't care
I know I'm gonna hear you say
But baby I won't care
Let me tell you I won't care
