You're just too good to be true

Can't take my eyes off you

You feel like heaven to touch

I want to hold you so much

At long last love has arrived

And I thank god I'm alive

You're just too good to be true

Can't take my eyes off of you

I love you baby

And if it's quite alright

I need you baby

To warm the lonely night

I love you baby

Trust in me when I say

I need you baby

Don't bring me down this way

And pretty baby

Now that I've found you safe

And let me love you baby let me love you

Pardon the way that I stare

There's nothing else to compare

The sight of you leaves me weak  
There are no words left to speak  
But if you feel like I feel  
Please let me know that's it's real  
You're just too good to be true  
Can't take my eyes off you  
I love you baby  
And if it's quite alright  
I need you baby  
To warm the lonely night  
I love you baby  
Trust in me when I say  
I need you baby  
Don't bring me down this way  
And pretty baby  
Now that I've found you safe  
Let me love you baby let me love you  
I love you baby  
And if it's quite alright  
I need you baby  
To warm the lonely night  
I love you baby  
Trust in me when I say  
I need you baby
