Something in me, dark and sticky.

All the time it's getting strong.

No way of dealing with this feeling,

Can't go on like this too long.

This time you've gone too far.

This time you've gone too far.

This time you've gone too far.

I told you.

I told you.

I told you.

I told you.

This time you've gone too far.

This time you've gone too far.

This time you've gone too far.

I told you.

I told you.

I told you.

I told you.

Don't talk back,

Just drive the car.

Shut your mouth,

I know what you are.

Don't say nothing,

Keep your hands on the wheel.

Don't turn around,

This is for real.

Digging in the dirt.

Stay with me, I need support.

I'm digging in the dirt

To find the places I got hurt,

Open up the places I got hurt.

The more I look, the more I find.

As I close on in, I get so blind.

I feel it in my head, I feel it in my toes.

I feel it in my sex, that's the place it goes.

This time you've gone too far.

This time you've gone too far.

This time you've gone too far.

I told you.

I told you.

I told you.

I told you.

This time you've gone too far.

This time you've gone too far.

This time you've gone too far.

I told you.

I told you.

I told you.

I told you.

I'm digging in the dirt.
