If this says run you know I'd run to him  
And he'll always come to me  
Though I never was the kind  
To give it all to easily  
If anybody ever found a friend you'll know  
That I've found that friend in you  
What a joy it is to find the one you love  
In love with you  
Oh don't stop loving me  
When you want me to I'll run to you my friend  
I can't stop loving you  
Until the end  
If you that you've found someone  
Count the blessings offered you  
For you know that they are few and far between  
Who ever do  
Oh don't stop loving me  
When you want me to I'll run with you my friend  
I can't stop loving you  
Until the end  
What a joy it is to find the one you love

Is loving you

Oh don't stop loving me

When you want me to I'll run with you my friend

I can't stop loving you

'Cause I couldn't live without your love my friend

Oh don't stop loving me

When you want me to I'll run to you

I can't stop loving you

'Cause I could never live without your love my friend

Don't stop don't stop loving me
