For once in my life I have someone who needs me
Someone I've needed so long
For once I'm afraid I can't go where life leads me
Somehow I know I'll be strong
For once I can't touch what my heart used to dream of
Long before I knew
Someone warm like you
Could make my dreams come true
For once in my life I won't let sorrow hurt me
Not like it's hurt me before
For once I have something I know won't desert me
I'm not alone anymore
For once I can say this is mine you can't take it
As long as I know
I have love I can make it
For once in my life I have someone who needs me
