I misunderstood
Turned you away
Look at me now
In the darker day
I run my life
Just like a fool
I will live all times with you
My life is in your hands
So darling (give it up)
You're looking so good
See it in love
Takes me to where life wins
(Give it up)
Give me tonight
Swallow your pride
Make it alright again
But I misunderstood
Darling really I've changed
Well I did you no good
But look at me now
Tears in my eyes

I will live all time with you

My heart is in your hands

So darling (give it up)

You're looking so good

See it in love

Takes me to where life wins

(Give it up)

Give me tonight

Swallow your pride

Make it alright again

(Give it up)

You're looking so good

See it in love

Takes me to where life wins

(Give it up)

Give me tonight

Swallow your pride

Make it alright again

I misunderstood

See it in love

Takes me to where life wins

(Give it up)

Give me tonight

Swallow your pride

Make it alright again

(Give it up)

(Give all your love to me)

(Give it up)

(Give all your love to me)

(Give it up)

(Give all your love to me)
