The mask of time
Will show you things
You're ready to
Peel them away
You're on the verge of good times
You're on the verge of good times
You're on the verge of good times
Don't shut me out
We're open now
Don't shut me out
Don't shut me out
Think as you feel
Please think as you feel
You're on the verge of good times
You're on the verge of good times
You're on the verge of good times
Don't shut me out
Don't shut me out
The mirror encourages me
All the way
