Maybe you'll only give me kisses sweet
And only for one night and no repeat
Maybe you'll go away and never call
And a taste of honey is worse than none at all
In that case I don't want no part
'Cause that that would only break my heart
If you feel like givin' me
A lifetime of devotion
I second that emotion
If you feel like givin' me
A lifetime of devotion
I second that emotion
Maybe you'll think that love will tie you down
And you don't have the time to hang around
Maybe you'll think that love was made for fools
And so it makes you ask to break the rules
In that case I don't want no part
'Cause that that would only break my heart
If you feel like givin' me
A lifetime of devotion
I second that emotion

If you feel like givin' me

A lifetime of devotion

I second that emotion

If you feel like givin' me

A lifetime of devotion

I second that emotion

If you feel like givin' me

A lifetime of devotion

I second that emotion

I second that emotion

I second that emotion
