I feel so choked inside

Like a cloud trying

To burst in the sky

Jimmy

I'm so all alone

When you're not home

I think I'm going to cry

Jimmy

For what am I

With out your love to make me strong

What can I do

What can I say

When I'm willing to give

All I can give to you

I see darkness when it's day

'Cause the beauty and the sun has gone away

Jimmy

Your picture hangs on my wall

But you're about to fall

Oh no

Jimmy

For what is life
Without the will to live
What can I do
What can I say
When I'm willing to give
All I can give to you

Jimmy

Yes I'm willing to give
All my love to you

Come back

Oh please come back

Yes I'm willing to give

All my love to you

Yes I'm willing to give

All my love

All my love for you
