You know love  
Makes the world go round  
And love makes the see-saw  
Go up and down

And it makes the trees grow tall  
And most important thing of all  
It makes a boy and girl hope  
Said it feels so fine now

Without love  
(Without love, without love)  
Flowers wouldn't grow in spring  
And without dreams  
(Without dreams, without dreams)  
The birds just couldn't sing

Oh, everybody needs love  
And to watch the twinkling stars above  
It makes a boy and girl, yeah  
Say that it feels so fine now

Oh, everybody needs love  
(Everybody needs love)  
Watch the twinkling stars above  
It makes a boy and girl, yeah  
Say that it feels so fine now

Love (love) love  
Makes the world go round  
You know love (love)  
Makes you feel so fine  
(Makes the world go round)  
Oh, everybody (love)  
Everybody needs some loving  
(Makes the world go round)
