He's off he's gone a-running
'Cause someone's started something
Nigel poor Nigel
Left quick out the back door
Ten onto one ain't fair boys
Nigel poor Nigel
Yes it's Saturday night boys
He don't want to fight no-one.
Determined is Nigel
To get on and do well
He'll laugh the longest
Won't end up with nothing
'Cause surviving is something
He's learned to do well
Reputation is so strong
He'll never let you down. He's a Midnight Flyer
Straight down the line
He'll look you in the eye
Anytime
He's a Midnight Flyer
You all wanna be

He's better than the rest

More than you'll ever be.

Nigel is running

Somewhere in the city

Always gets attention

What's up - what's the problem

Everybody knows him

Nigel he's the business

Name the place and he'll come to you

In a race in a class of his own.

He's a Midnight Flyer

Straight down the line

He'll look you in the eye

Anytime

He's the Midnight Flyer

You all wanna be

He's better than the rest

More than you'll ever be.

One day you see him

Next day you don't

What a laugh Nigel

Ask him where he's been to

And he'll tell you where to go

Tight-lipped that's Nigel

It's no-one's place to ask questions

He believes everyone is free.

He's a Midnight Flyer
-acap
