I could've been Miss Punta Blanca
I could've but I didn't want to
I think I could've been a winner
if I'd gone dancing after dinner
I could've rhumba'd by the poolside
I could've samba'd with the tour guide
instead I took a motorcycle ride
with my friend Mike
this guy I really like
he rents the motorbikes
so light me a cigar my love
and tell me your name
(I... I know your name)
let's...pour me a drink now
let's have a toast to who we really are
and I'll sing you a song
right in your ear
on this beautiful Cuban moonlit night
oh...mm
I need another...another light
I could've been Miss Punta Blanca

I could've but I didn't want to

I could've but I said no thank you

I said I didn't want to

anyways, it was Ruby who won the contest

and two hours later she was passed out by the pool
