I don't remember what day it was

I didn't notice what time it was

All I know is that I fell in love with you

And if all my dreams come true

I'll be spending time with you

Every day's a new day in love with you

With each day comes a new way of loving you

Every time I kiss your lips

My mind starts to wonder

And if all my dreams come true

I'll be spending time with you

Oh I love you more today than yesterday

But not as much as tomorrow

I love you more today than yesterday

But darling not as much as tomorrow

All the leaves mean's springtime's just a day away

Cupid we don't need you now be on your way

I thank the lord for love like ours that grows ever
stronger

And I always will be true I know you feel the same way
too

Oh I love you more today than yesterday

But not as much as tomorrow

I love you more today than yesterday

But darling not as much as tomorrow

Every day's a new day every time I love you

Every way's a new way every time I love you
