What have I done I've broken your heart

Now there's no sun just cold and dark

Without your smile I can't laugh

Without you baby I'm just half

I didn't know what I had

I didn't know I'd feel this sad

But I feel

Naked without you

I feel naked without you

I feel naked without you

What have I done I've broke a vow

But I'm the one who's crying now

Without your touch I can't feel

Without forgiveness I can't heal

Nobody else can take your place

And if I don't see your angel face

Girl I feel naked without you

I'm still crazy about you

I feel naked without you

I hurt the one that really loved me

Don't look at me I feel ugly

Naked without you

I'm so tired that I can't sleep

I threw away a love so deep

Naked without you I feel

Naked without you I feel

Naked without you

Naked without you in my head

Naked without you in my bed

Naked without you hey baby

Naked without you and I
