Walking home

In the dark

Even though I'm all alone

I know you won't be far away

(Standing in the shadows of love yeah)

In the cold

Light of day

When I feel the preminition of

Nowhere to hide

Nowhere to hide

Nowhere to hide

Nowhere to hide

(Standing in the shadows of love yeah)

(Trying to forget)

Maybe I'm mistaken

(everywhere you go)

I know there's no escaping

(no matter how you run)

I'm never gonna get away

Nowhere to hide

Nowhere to hide

Nowhere to hide

Nowhere to hide

Nowhere to hide

(trying to forget you)

Maybe I'm mistaken

(everywhere I go)

I know there's no escaping

(no matter how you run)

I'm never gonna get away

Nowhere to go

Nowhere to hide

Nowhere to hide

Nowhere to hide

Nowhere to hide

Nowhere to hide

Nowhere to hide

Nowhere to h
