Out of my head, out of my mind

You're out of my head, I left you far behind

You're out of my head tonight

And I guess you can't see that it's right

But you're out of my head tonight.

Out of sight, out of my mind

You're out of reach, it's such a hard climb

That I'm inclined to put you out of my head tonight.

Oh tonight tonight

My heart is full of you but that won't do

I can't seem to satisfy my soul

So cold.

You're out of touch so much feeling lost

And I'm feeling lost

Every single thing that I try to do

Only makes me think about you

You're out of my head tonight.

Out of my head tonight

You're out of my head tonight

You're out of my head tonight

Out of my head tonight.
