Think of your fellow man

Lend him a helping hand

Put a little love in your heart

You see it's getting late

Oh please don't hesitate

Put a little love in your heart

And the world (the world) will be a better place

And the world (the world) will be a better place

For you (for you) and me (and me)

You just wait (just wait) and see

Another day goes by

Still the children cry

Put a little love in your heart

If you want the world to know

We won't let hatred grow

Put a little love in your heart

And the world (the world) will be a better place

And the world (the world) will be a better place

For you (for you) and me (and me)

You just wait (just wait) wait and see

Take a good look around

And if you're looking down
Put a little love in your heart
I hope when you decide
Gladness will be your guide
Put a little love in your heart
And the world (the world) will be a better place
And the world (the world) will be a better place
For you (for you) and me (and me)
You just wait (just wait) wait and see
Put a little love in your heart
People now (put a little love in your heart)
Everyday (put a little love in your heart)
Oh now put a little love (in your heart)
Put a little love (in your heart) Put a little love in your
heart
Put a little love (in your heart) Put a little love (in your
heart) Put a little love in your heart
Put a little love (in your heart) Put a little love (in your
heart) Put a little love in your heart
