It doesn't hurt me

Do you want fee how it feels

Do you want to know: know that

It doesn't hurt me

Do you want to hear 'bout the deal

That I'm making

You and me,

CHORUS

And if I only could

I'd make a deal with God

And get him to swap our places

Be running up that road

Be running up that hill

Be running up that building

If I only could oh...

You don't want to hurt me

But see how deep the bullet lies

Unaware I'm tearing you asunder

Ooh there is thunder in our hearts

Is there so much hate for the ones we love

Tell me we both matter don't we

You

You and me

You and me won't be unhappy

And if I only could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road

Be running up that hill

Be running up that building

If I only could oh...

You

You and me

You and me won't be unhappy

C'mon baby c'mon darling

Let me steal this moment from you now

Come on angel, c'mon, c'mon darling

Let's exchange the experience oh.

And if only I could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road

Be running up that hill

With no problems.

And if I only could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road-acapo
