I could be so happy

By an ocean of my own

All alone by myself

Running wild and skimming stones

You will find me floating on a sea a sea of dreams

I'm there oh I'm there drowning in my fantasy

Sail, sail away just the waves and me

(chorus)

Dip my feet in salty water

Let it wash all over me

Dip my feet in salty water

Let it wash all over me

I love the rain on stormy waters

With my face all drenched in spray

Cut the rope from the boat

Don't wanna be saved anyway

Drifting I am drifting

On a sea a sea of dreams

I'm there oh I'm there

Crashing waves will make my day

Sail, sail away just the waves and me
