I've spent too much time here in the dark

Trying to hide crying inside

I've spent too much time here in the gloom

Making a tomb of my room

Then suddenly along comes you

And now all I want to do

Is just to walk in the sunshine of your smile

Walk in the sunshine all the while

Walk in the sunshine of your love

A love I've been dreamin' of

I've spent too much time staying alone

Hiding my tears nursing my fears

I've spent too much time building a wall Then all at
once you came my way

You brought me to the light of day

Well I will walk in the sunshine of your smile

Walk in the sunshine all the while

Walk in the sunshine of your love

A love I've been dreamin' of

And I will walk in the sunshine of your smile

Walk in the sunshine all the while

Walk in the sunshine of your love

A love I've been dreamin' of
