"WILD EYES"

You are not so wild eyed anymore
You have settled down
You're not dreaming much these days
I don't know what made you want to look me up
When you messed me up
You know this game you're playing
Faithful and obeying too
Doesn't wear with you
But some things that you do
Could soothe the view.
Whatever happened to your wild eyes
Big surprise
Your telephone friends
And the mystery prize
(what has happened to you)
Whatever happened to you
And your wild eyes.
You are not so wild eyed anymore
You have levelled down
You're not shining much these days
What made you decide to want to look me up

When you messed me up
You know this game you've been playing
Faithful and obeying too
Doesn't wear with you
But some things that you do
Could soothe the view.
Whatever happened to your wild eyes
Big surprise
Your telephone friends
And the mystery prize
(what has happened to you)
Whatever happened to you
And your wild eyes.
