When my faith had almost died

I hid my face and cried,

"I have no wish to live

If this is all that life can give".

Then, though everything was dark,

You offered me your heart

A gift so rare, so kind,

Was more than I could hope to find.

With you

I've won back the dream I thought was lost

All sadness ends with the birth of love.

You are my hope in this World

Don't let me down

You are my hope in this World

Don't let me down

You are my hope in this World

Don't let me down.

And now I feel the soft touch of the breeze;

I hear the sighing of the seas:

And, though the beauty of this earth

Means much to me, of greatest worth

There's you.

With you

I've won back the dream I thought was lost

All sadness ends with the birth of our love

You are my hope in this World

Don't let me down

You are my hope in this World

Don't let me down

You are my hope in this World

Don't let me down.

Your spirit young and free

Gave back life to me

So don't let me down -

Please, don't let me down.

You are my hope in this World

Don't let me down

You are my hope in this World

Don't let me down

You are my hope in this World

Don't let me down.
