When I said I needed you

You said you would always stay

It wasn't me who changed but you

And now you've gone away

Don't you see that now you've gone

And I'm left here on my own

That I have to follow you

And beg you to come home

You don't have to say you love me

Just because of him

You don't have to stay for ever

I will understand

Believe me believe me I can't help but love you

But believe me I'll never tie you down

Left alone with just a memory

Life seems dead and so unreal

All that's left is loneliness

There's nothing left to feel

You don't have to say you love me

Just because of him

You don't have to stay for ever

I will understand

Believe me believe me

You don't have to say you love me

Just because of him

You don't have to stay for ever

I will understand

Believe me believe me believe me
