You're my world

You're every breath I take

You're my world

You're every move I make

Although eyes see the stars up in the skies

But for me they shine within your eyes

As the trees reach for the sun above

So my arms reach out to you for love

With your hand resting in mine

I feel the power so devine

You're my world

You are my night

My day

You're my world

You're every breath I pray

If our love ceases to be

Then it's the end of my world for me

With your hand

Resting in mine

I feel a power so devine

You're my world

You are my night

My day

You're my world

You're every breath I pray

If our love ceases to be

Then it's the end of my world

End of my world

End of my world for me
