You were the one  
Who I could tell my deepest fears

And you were the one  
Who always wiped away my tears

When he hurt me you were my prince

Sent straight from above

Like a fool I never saw  
You were falling in love

So now I've lost everything

Cause now you say  
You're gone forever more

So who will I

Who will I run to  
Who will I turn to

Now that you left me behind

Who will dry my tears  
When I cry

Who will I run to  
And who will I turn to

Now that you're not here  
In my life

You were the one  
I took for granted all those years

And you were the one  
I should've known  
It was so clear

How could I be so blind  
Not to see what's before my eyes

I'll get you back here with me  
If it takes the rest of my life

Cause I would do anything  
Cause I want you back forever more

Who will I run to  
Who will I turn to

Now that you left me behind

Who will dry my tears  
When I cry

Who will I run to  
And who will I turn to

Now that you're not here  
In my life

I will gladly journey  
Across the deep blue sea

If I could know  
That I would have you here with me

I realize that I was blind  
But now I finally see

I need you back here in my life  
Oh baby can it be

Who will I run to  
Who will I turn to

Now that you left me behind

Who will dry my tears  
When I cry

Who will I run to  
Who will I turn to

Now that you're not here  
In my life

Who will be there for me

Who's gonna rescue me

Who's gonna share my dreams

Who's gonna mend this broken heart
