How many roads must a man walk down, before you will  
call him a man ?

How many seas must a white dove sail before she rests

And how many times must the cannonballs fly before  
they're forever banned?

The answer my friend is blowing in the wind. The  
answer is blowing in the wind.

How many times can a man look up before he can see  
the sky?

How many ears must one man have before he can hear  
people cry?

How many deaths will it take till he knows that too many  
people have died?

The answer my friend is blowing in the wind the answer  
is blowing the wind.

How many years can a mountain exist before it is  
washed to the sea?

How many years can some people exist before they're  
allowed to be free?

How many times can a man turn his head and pretend  
that he just doesn't see?  
The answer my friend is blowing in the wind. The  
answer is blowing in the wind.
