Come Awa' Hame,Laddie

Jean MacNeil

Chorus:

Come awa' hame,laddie; Come awa' Hame.

Come awa' hame for a Ceilidh.

Rory will play and Jeanie will sing,

Sandy will pipe for the highland fling.

cho.

Come when the Mayflower peeks thru the snow,

Come when the Hummingbird seeks the wild rose.

cho.

Come when the hunter is stalking the game,

Come when the Autumn sets Maples aflame.

cho.

The Thistle gives way the to the Maple Leaf,

But still we lay claim to a Highland Chief.

cho.

So whether your winning or losing your fight

The latch string is out and the hearth fire's bright !
