Venus De Milo in her half-baked shell
Understood the nature of life very well
She said "A good love is delicious
You can't get enough too soon
It makes you so crazy
You want to swallow the moon"
Oh Oh Oh Oh
Jupiter
Oh Oh Oh Oh
Be still my little heart
Oh Oh Oh Oh
Love is a flame
Neither timid nor tame
Take these stars from my crown
Let the years fall down
Lay me out in firelight
Let my skin feel the night
Fasten me to your side
Say it'll be soon
You make me so crazy baby
You swallow the moon
My hands have toured travellers
Across oceans and lands
If they are too small
On the continent of your skin
Wandering, Wandering
I could spend my life
Travelling the length of your body each night
Oh Oh Oh Oh
Jupiter
Oh Oh Oh Oh
Be still my little heart
Oh Oh Oh Oh

Love is a flame
Neither timid nor tame
Take these stars from my crown
Let the years fall down
Lay me out in firelight
Let my skin feel the night
Fasten me to your side
And say it'll be soon

You make me so crazy baby
We swallow the moon
Swallow the moon
Oh Oh Oh Oh
Jupiter
Oh Oh Oh Oh
Be still my little heart
Oh Oh Oh Oh
Love is a flame
Neither timid nor tame
Take these stars from my crown
Let the years fall down
Lay me out in firelight
Let my skin feel the night
Fasten me to your side
And say it'll be soon
You make me so crazy baby
We swallow the moon
Swallow the moon
Swallow the moon
Swallow the moon
