Turn to me with frozen lips  
Your hands are icy cold  
Your eyes burn bright  
Against the frost-bit sky  
You never seemed more lovely  
Than you do tonight  
Pale on the horizon  
Like leaves frozen in the snow  
Our two shadows merge inseparably  
Well time stands still  
If it's pierced with cold  
The more I live  
The more I know  
What's simple is true  
I love you  
There's a warmth in my heart  
It haunts me when you're gone  
Mend me to your side  
And never let go  
So time knows nothing  
We'll never grow cold

The more I live  
The more I know  
What's simple is true  
I love you  
And twilight descends  
On our silhouette  
How soon Spring comes  
How soon Spring forgets  
I wanna hold time  
Say it'll never begin  
Old Man Winter be our friend  
Old Man Winter be our friend  
The more I live  
The more I know  
What's simple is true  
What's simple is true  
I love I love you
