Turn to me with frozen lips
Your hands are icy cold
Your eyes burn bright
Against the frost-bit sky
You never seemed more lovely
Than you do tonight
Pale on the horizon
Like leaves frozen in the snow
Our two shadows merge inseparably
Well time stands still
If it's pierced with cold
The more I live
The more I know
What's simple is true
I love you
There's a warmth in my heart
It haunts me when you're gone
Mend me to your side
And never let go
So time knows nothing
We'll never grow cold
The more I live
The more I know
What's simple is true
I love you
And twilight descends
On our silhouette
How soon Spring comes
How soon Spring forgets
I wanna hold time
Say it'll never begin
Old Man Winter be our friend
Old Man Winter be our friend
The more I live
The more I know
What's simple is true
What's simple is true
I love I love you
