[Break: 2x]

Ooh, ha ha ha ha ha ha ha ha

[Verse 1]

I've been in love but never before
Knew love like this still exists
Passion holds me, pleasure fills me
Whenever you come around

[B-Section]

My feet don't touch the ground
Suspended in thin air with wings like a dove
Yes, feelings turned around, I feel it deep within
You're my angel, come save me now

[Hook]

Never felt this way, if I'm inside a dream
Don't wake me up cause it felt so good
I'm inside a dream, never felt this way
Don't wake me up cause it felt so good

[Verse 2]

Destiny's here, you're kind comes so rare
I'm glad I dreamed you
I don't deserve kindness like yours
I'm at a loss of words

[B-Section]

[Hook: 2x]

Never felt this way, if I'm inside a dream
Don't wake me up cause it felt so good
I'm inside a dream, never felt this way
Don't wake me up cause it felt so good

[Break: 2x]

Ooh, ha ha ha ha ha ha ha ha

Come save me

[Hook: 2x]

Never felt this way, if I'm inside a dream

Don't wake me up cause it felt so good
I'm inside a dream, never felt this way
Don't wake me up cause it felt so good
