I come home in the morning light  
My mother says "when you gonna live your life right  
Oh mother dear we're not the fortunate ones  
And girls they wanna have fun  
Oh girls just wanna have fun

The phone rings in the middle of the night yeah  
My father yells what you gonna do with your life  
Oh daddy dear you know you're still number one  
But girls they wanna have fun  
Oh girls just wanna have

That's all they really want  
Some fun  
When the working day is done  
Girls they wanna have fun  
Oh girls just wanna have fun

Some boys take a beautiful girl  
And hide her away from the rest of the universe  
I want to be the one to walk in the sun  
Oh girls they wanna have fun  
Oh girls just wanna have

That's all they really want  
Some fun  
When the working day is done  
Girls they want to have fun  
Oh girls just want to have fun  
They wanna, wanna have fun  
Girls wanna have  
They just want  
They just want  
They just want  
They just want

That's all they really want  
Some fun  
When the working day is done  
Girls they want to have fun  
Oh girls just want to have fun  
They wanna, wanna have fun

Girls wanna have

When the working

When the working

When the working day is done

Girls wanna have fun...
