You must promise you will
Never speak again of this to me
æ...ause I could never look my son
In the eye and tell him
Just exactly what his daddy did
With the souls of all the broken ones
I could never understand exactly why
You had feelings for these
Worthless human flies
And when I looked into your eyes
I felt
I felt broken
Yes, itæŠ̄ true
I wanted to be like you
And yes, I knew
I could never be like you
And I saw them kneeling there
To their God on his big throne
And I started to see you
Shying away from all the angels
ItæŠ̄I never be the way it was again
You couldnæŠ̄ see that I
Treated you just like a son

And if I held others just like you
ItæŠ̄ only because I
Created all men equal
I could never understand exactly why
You would spit into your loving fatheræŠ̄ eyes
Oh my father how am I
Supposed to say læŠ̄! sorry?
Yes, itæŠ̄ true
I wanted to be like you
And yes, I knew
I could never be like you
And I saw them kneeling there
To their God on his big throne
And I started to see you
Shying away from all the angels
I forgive you. DonæŠ̄ you know?
I just donæŠ̄ care
I could never be the one

Ever be your son
I could never be the father No
(I could never win)
