I can't understand why my life  
Would warrant discussion or gossip  
My conquests and accomplishments are minimal  
It's like some new false language  
I can't understand  
Maybe I wasn't really listening  
You see I don't speak for the sake of speaking  
I speak from the heart, my words reveal me  
That's why I have nothing to say to you  
It's amusing that you consider yourself  
Some great reward...Oh,  
So beautiful...So precious.....astounding  
And if I caused you distress in your life  
It's because I've deemed yours worthless  
I think nothing of chewing you up  
And spitting you out Because I consider you nothing.  
Alive  
I'm alive  
I'm a lie  
I am awake  
I've awoken  
I denounce you  
I forgive you  
I am reborn  
You always said you'd be there  
To pick me up when I fell down  
Your out-stretched hand, enclosed in mine  
And I took you right down  
You knew some day I wouldn't be there  
I knew I'd kick you in the ass  
I just couldn't stand to see you disrespect yourself,  
To destroy yourself,  
And to destroy me with you.
