There's a nail in the door
And there's glass on the lawn
Tacks on the floor
And the TV is on
And I always sleep with my guns when you're gone
There's a blade by the bed
And a phone in my hand
A dog on the floor
And some cash on the nightstand
When I'm all alone the dreaming stops
And I just can't stand

What should I do I'm just a little baby
What if the lights go out
And maybe and then the wind just starts to moan
Outside the door he followed me home
Now goodnight moon
I want the sun
If it's not here soon
I might be done
No it won't be too soon 'til I say goodnight moon

There's a shark in the pool
And a witch in the tree
A crazy old neighbor and he's been watching me
And there's footsteps loud and strong coming down
the hall
Something's under the bed
Now it's out in the hedge
There's a big black crow sitting on my window ledge
And I hear something scratching through the wall

Oh what should I do I'm just a little baby
What if the lights go out
And maybe I just hate to be all alone
Outside the door he followed me home
Now goodnight moon
I want the sun
If it's not here soon
I might be done
No it won't be too soon 'til I say goodnight moon

Well you're up so high
How can you save me
When the dark comes here
Tonight to take me up
The mouth from woke
And into bed where it kisses my face
And eats my hand

What should I do I'm just a little baby
What if the lights go out and maybe
And then the wind just starts to moan
Outside the door he followed me home
Now goodnight moon
I want the sun
If it's not here soon
I might be done
No it won't be too soon 'til I say
Goodnight moon
No it won't be too soon 'til I say
Goodnight moon
