Looked dead, didn't I?
Well I wasn't, but it wasn't for lack of trying,
I can tell you that.
Actually Bill's last bullet put me in a coma.
A coma I was to lie in for four years.
When I woke up ...
I went on what the movie advertisements refer to as a
Roaring Rampage of Revenge.
I roared and I rampaged and I got bloody satisfaction.
I've killed a hell lot of people to get to this point.
But I have only one more.
The last one.
The one I'm driving to right now.
The only one left.
And when I arrive at my destination... I am gonna Kill
Bill.
