New York, New York City Speed  
New York, New York City Speed  
New York, New York City Speed  
New York, New York City Speed

Dance To The Rhythm Boy  
And Die Young,  
But Make Sure We're Having Fun.  
And They Say The Year That Radio Died  
It Was In 1985.

New York, New York City Speed,  
And We Got So Messed Up  
New York, New York City Speed.

Tune In. Make Out. Break Off  
It's New York City Speed.  
Come On. Get In. Hang On  
It's New York City Speed.  
Dress Out, Wake Up  
And I Wont Let You Down.

New York, New York City Speed  
New York, New York City Speed  
New York, New York City Speed  
New York, New York City Speed  
New York, New York City Speed

Think Till Your Heart is Sore  
You Want More  
Like Life Played Back in Fast-forward  
And I Knew The Year That Video Died,  
It Was In 1995.

New York, New York City Speed,  
And We Got So F\*\*\*\*\* Up  
New York, New York City Speed.

Look Good, Talk Less, Act Bad,  
It's New York City Speed.  
Shut Up, Put Out, Come On  
It's New York City Speed.

Dress Up, Let Go  
And I Won't Let You Down.

New York, New York City Speed.

And I Won't Let You Down.  
New York, New York City Speed.(x3)
