I see you come alive
When our hearts and thoughts connect
I feel your bedroom eyes
From behind your cigarette

Finally you're here

Tokyo, it's in our blood
Japanese angels you and I
The night is young, it's inside us
Stay forever immortalized

Come join us, dance in the dust

I knew I loved you
From before the night we met
When the neon colors all
Blew up your silhouette

Suddenly you're free

Tokyo, it's in our blood
Japanese angels you and I
The night is young, it's inside us
Earth and heaven both collide

Come join us, dance in the dust

TOKYO, TOKYO
TOKYO, TOKYO
TOKYO, TOKYO

(TOKYO)
Dance in the dust, dance in the dust
(TOKYO)
Dance in the dust, dance in the dust

(TOKYO)
Dance in the dust, dance in the dust
(TOKYO)
Dance in the dust, dance in the dust

(T O K Y O)
Dance in the dust, dance in the dust
(T O K Y O)
Dance in the dust, dance in the dust

(T O K Y O)
Dance in the dust, dance in the dust
(T O K Y O)
Dance in the dust, dance in the dust

(T O K Y O, T O K Y O)
Tokyo
