I must get away
And I just can't stay right now
I think I can say why all the stars go insane and how
And how
Everybody's stuck in 1981 and they suck
Everybody thinks that they can live and love but they
don't
Well

What's the worst thing that can happen
You've got to take the chance
Everyone will tell you not to but no one understands
Silly little charmer - ah with that sparkle in your eye
Seize your hope and kiss their ass goodbye - oh

Whoa, yeah
You have to
Go to
Los Angeles
Oh oh
Los Angeles
Oh oh
Los Angeles

Hey what will you do
They're waiting for you right now
I'm going to southern California
Where metal is alive and well right now
And how
Well

Everybody said just stay at home and grow old
Fuck it I ain't gonna play in Tokyo
Oh, oh, oh
Well

What's the worst thing that can happen
You've got to take the chance
Everyone will tell you not to but no one understands
Silly little charmer - ah with that sparkle in your eye
They envy you, so kiss their ass goodbye

Whoa, yeah
You have to
Go to
Los Angeles

Whoa, yeah
You have to
Go to
Los Angeles

Whoa, yeah
You have to
Go to
Los Angeles

Whoa, yeah
You have to
Go to
Los Angeles

Whoa, yeah
You have to
Go to
Los Angeles
